

Current Openings

Project Manager

Closing Date: August 20, 2010

Barenco has an immediate opening for a Project Manager. Duties will include proposal preparation, management of assessment and remediation projects, report preparation, client liaison and relationship building and supervision of field staff and contractors.

Educational Requirements: B.Sc. or M.Sc. in Environmental or Chemical Engineering or Hydrogeology. Ontario P.Eng. or P.Geo. or other Qualified Person designation required. Safety training is desirable but would be supplemented on the job.

You should have two to five years of project management experience in the environmental consulting field, strong interpersonal and communication capability, along with demonstrated skills at managing multiple projects/budgets and clients.

Environmental Scientists/Technologists

Closing Date: August 20, 2010

Barenco has openings available for Environmental Scientists/Technologists. Duties will include testhole/test pit logging, monitoring, soil and ground water sampling, data processing and tabulating, preparation of site drawings, surveying, maintenance of monitoring and remediation systems, and participation in remediation projects.

These positions have a significant field-supervisory component. They require some travel and a valid Ontario drivers' license and clear driving record are required. The ability to work effectively with project managers, clients and contractors is essential.

Educational Requirements: B.Sc. or college diploma (in environmental programs). Safety training is desirable but would be supplemented on the job.

You should have excellent technical, mechanical and data collection/recording skills. Strong organizational skills, attention to detail, knowledge of word processing/spreadsheet software and strong written communication skills are required.

How to Apply

If you feel that your skills and experience are appropriate for one of these opportunities, please forward your covering letter and resume to the attention of the Human Resources Manager at careers@barenco.ca or mail/fax to :
